

CONCLUDING REMARKS

The current status of the claims is:

Claims 2-6, 8-10, 12-14, and 18 –20 remain in their original form.

Claims 1, 7 and 11 are currently amended.

Claims 15-17 are canceled.

Claim 21 is new.

The application has been amended at page 5, lines 14-15 to correct errors in the superscripts. Support for this amendment is clear from the context in which the superscripts are used.

Claim 1 has been amended to correct a formatting error in the superscripts, i.e. A- has been changed to A⁻.

Claim 7 has been amended to insert a space between "Claim" and "1."

Claim 11 has been amended to depend from Claim 9, which provides antecedent basis.

Claims 15 –17 have been canceled for being drawn to a non-elected invention. These claims are canceled without prejudice to their assertion in continuation applications.

Claim 21 has been added. Support for this claim is found at least in original claims 4, 5, 7, 8, and 9.

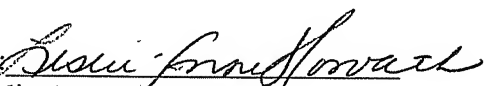

Applicants have elected the species "bipolar disorder" in response to the Examiner's requirement of election of a single disclosed species of one CNS disorder. Claims reading on the species "bipolar disorder" include 1-4, 10, 12, 14, 18-20, and 21.

Consideration and allowance of these claims are respectfully requested. The foregoing is believed to be fully responsive to the action.

If there are any charges with respect to this amendment, or otherwise, please charge them to Deposit Account No. 06-1130 maintained by applicant's attorneys.
